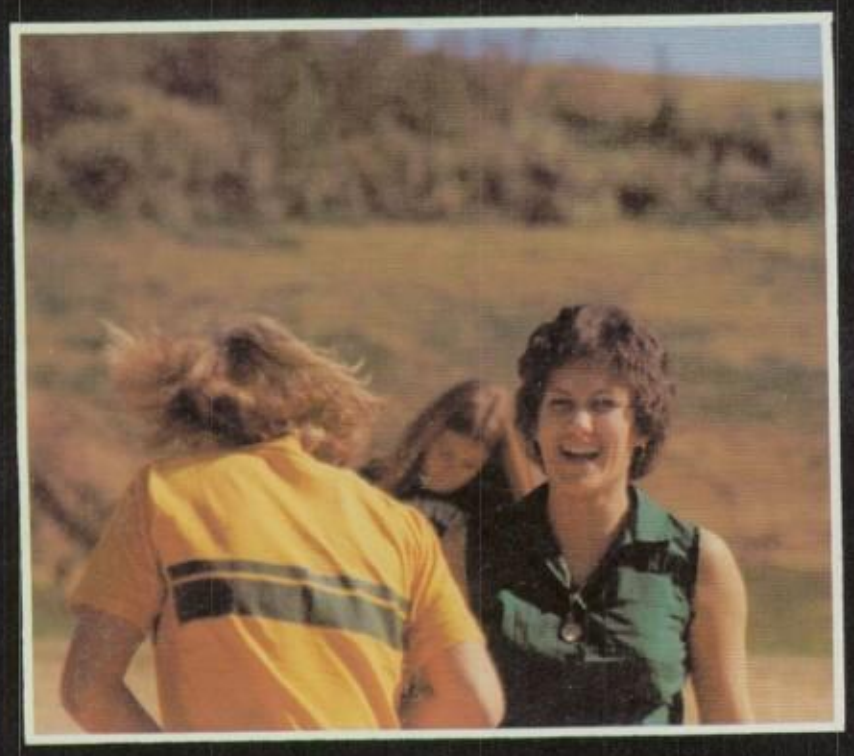
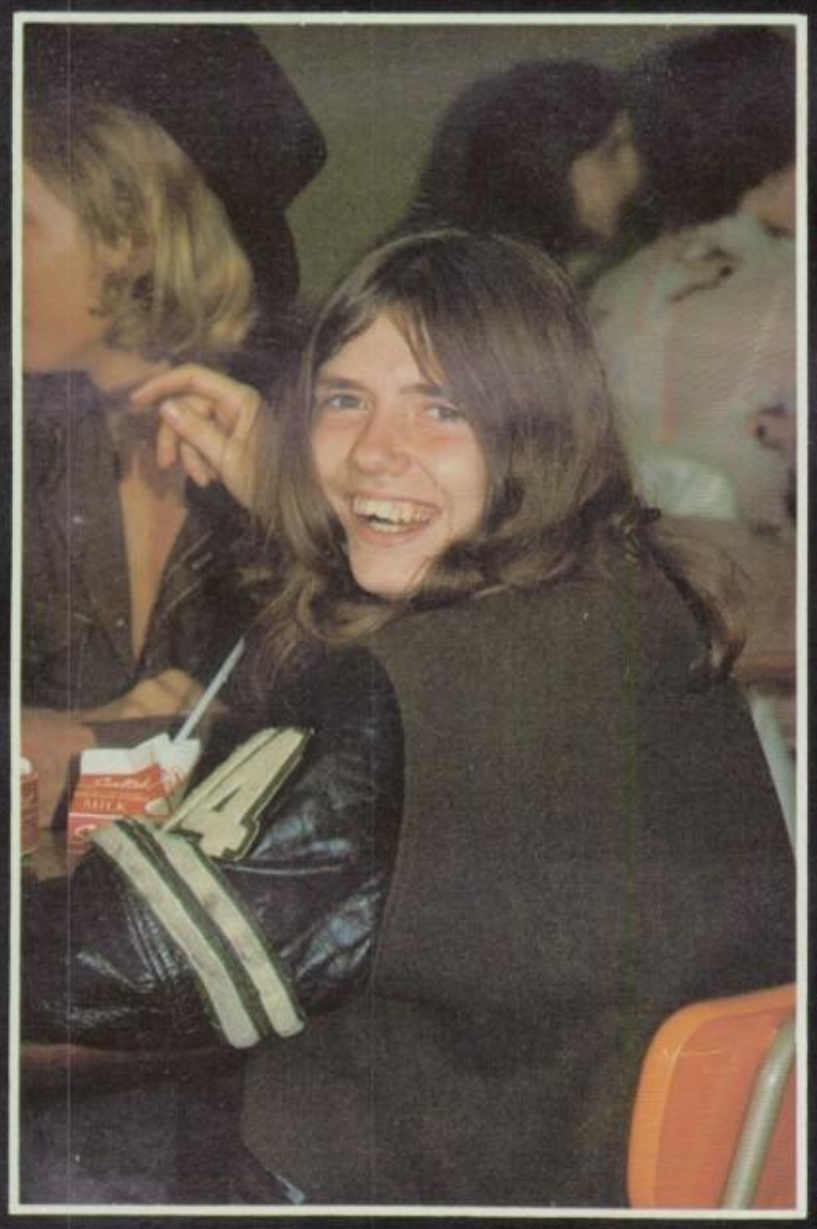
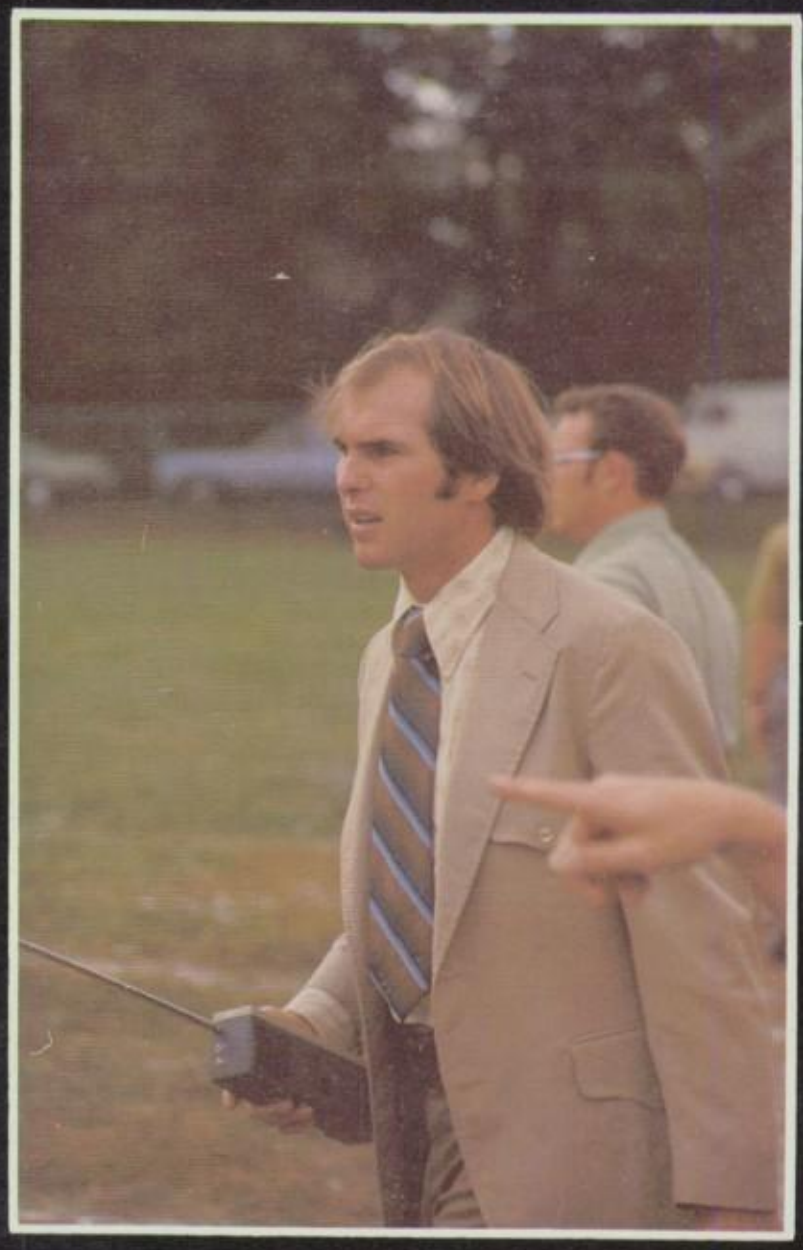
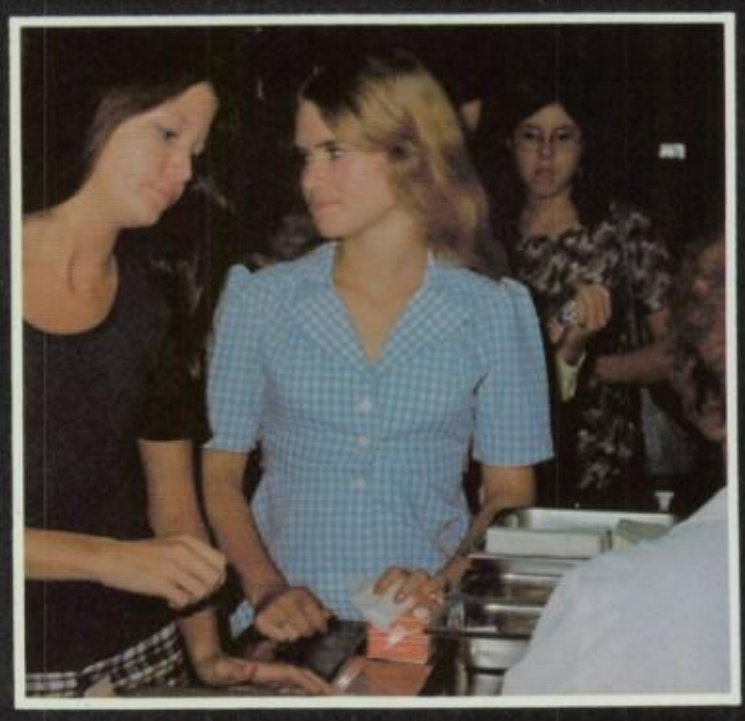
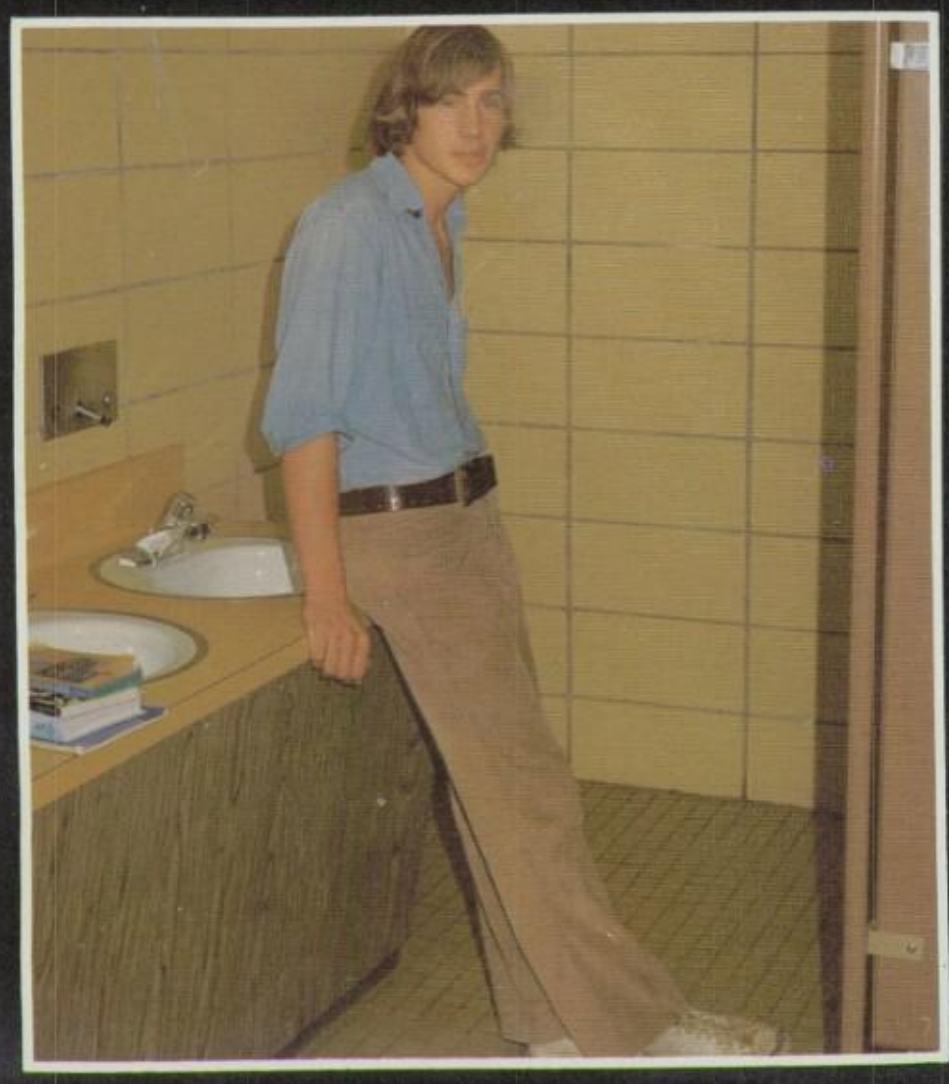
Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;



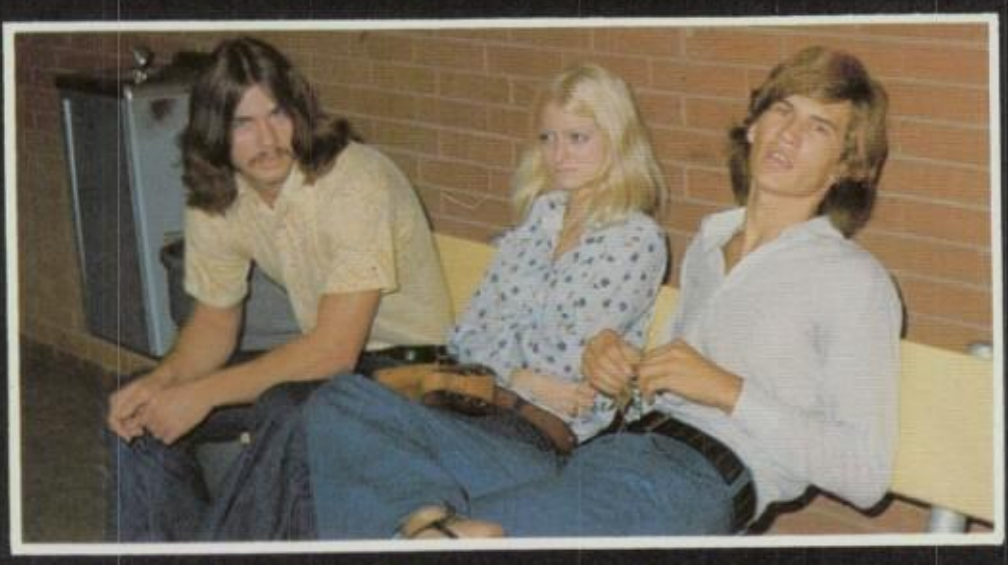








Be Someone Special
Go Navy



I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.

Juniors cheer to victory!

The Annual Powderpuff Football Game proved to be a surprise this year. The Juniors upset a long tradition at Pattonville by defeating the Seniors 32 to 13. Laura Bannon, Sue Gerhardt and Sheila Marshall were some of the outstanding Junior players. The star of the Seniors was Sheri Hutcherson, scoring both of her team's two touchdowns. Although the evening ended on a sad note, the spirit of the Seniors enabled them to accept defeat wihout any hard feelings toward the Juniors. After the game, everyone joined together for pizza at Shakey's.

The Seniors, although losing to a tradition, started one of their own. They selected Jim Hunicke, Joe Gorder, Dane Ives, Mike McCoy and Mike Push for a "Powderpuff Court". Jim was crowned "King" during halftime. There was also a Senior Pom Pon Squad for the first time, performing to the song "California Girl".

Tim Van Galder, from KMOX-TV, appeared at the game with his "mini-camera" and interviewed Joy Jordan and the Senior Cheerleaders. The film did not develop though and couldn't be televised. However, the Juniors and Seniors enjoyed all of the publicity they received in the Globe-Democrat and the Post-Dispatch.

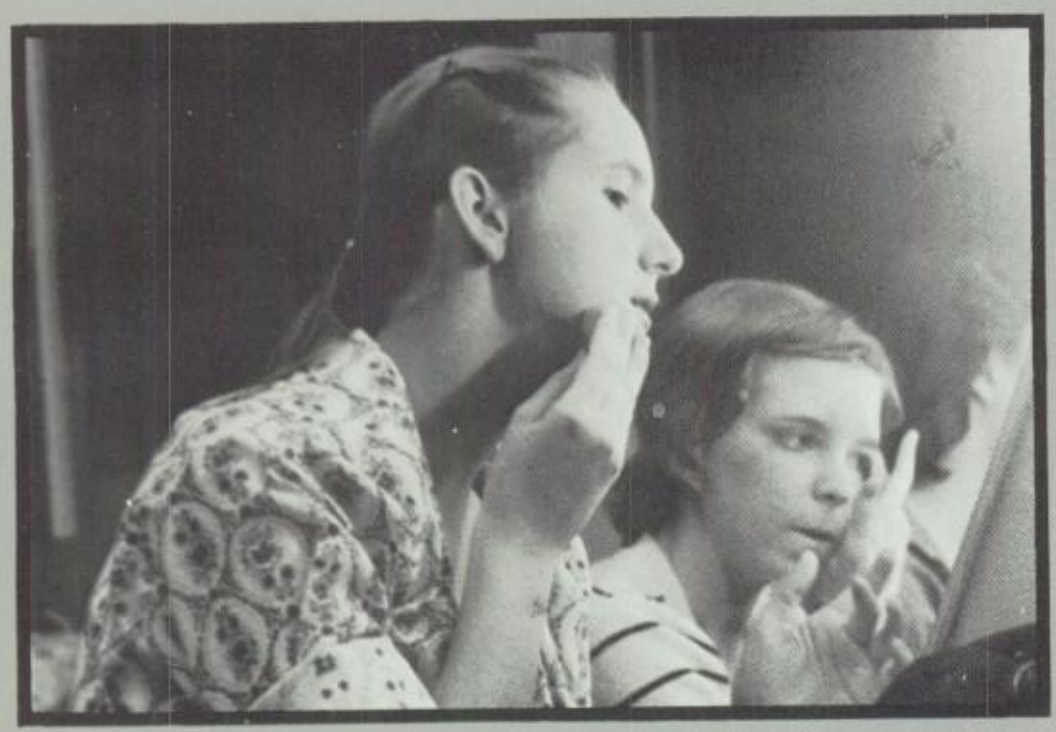
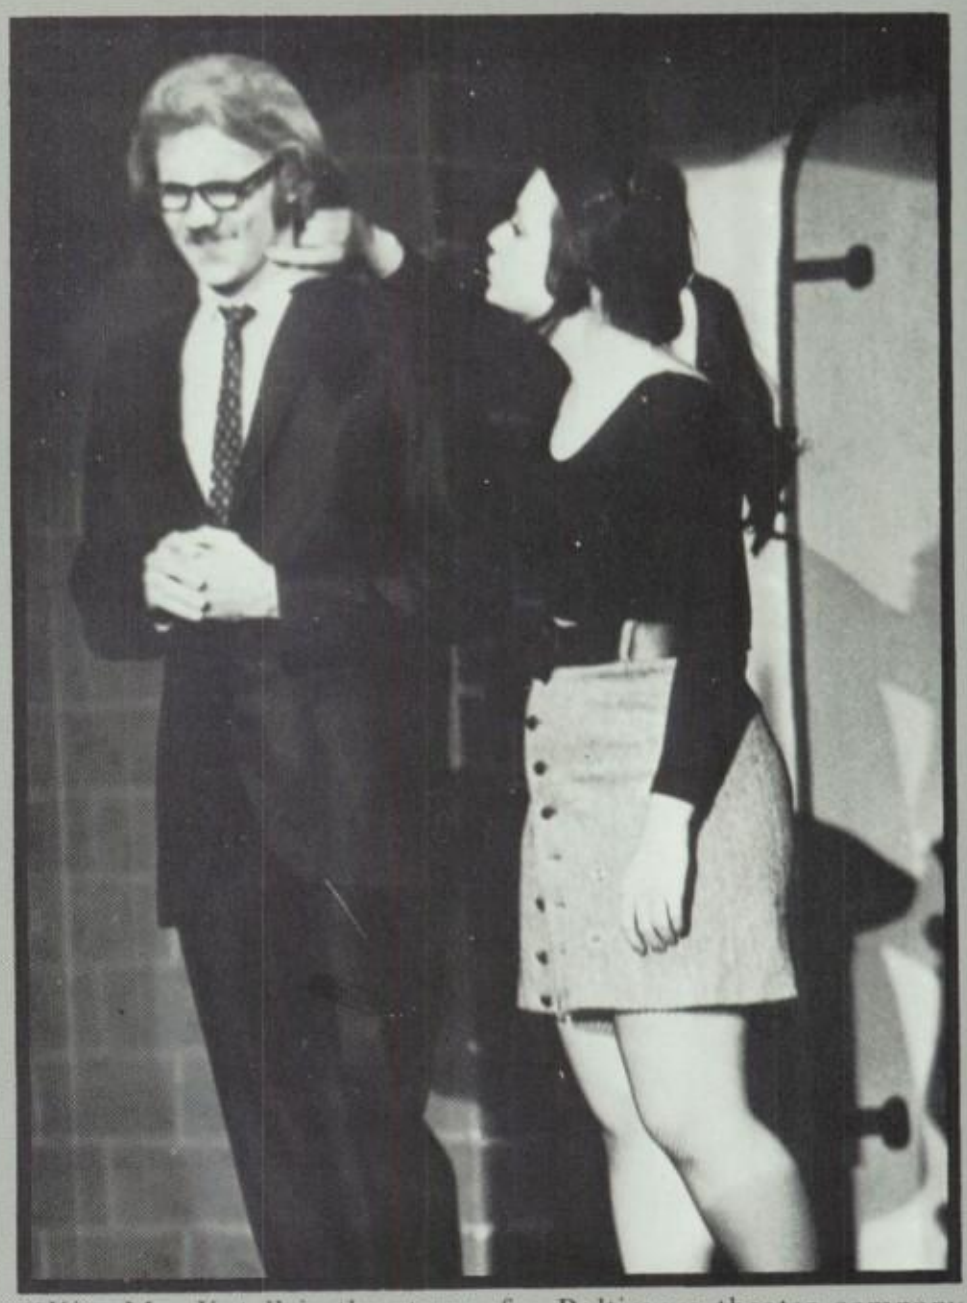
Kiss Me Kate





"Kiss Me, Kate" is the story of a Baltimore theater company during a performance of Shakespeare's "Taming of the Shrew". As the cast prepares anxiously, Bill Calhoun, who plays Lucentio, tells his love, Lois Lane, who will portray Bianca, that he has signed producer-actor Fred Gram's name to a $10,000 gambling I.O.U. Lois begs him to reform, as Fred and his former wife, Lilli, recall other shows in which they've performed.

On stage, Bianca's older sister Kate (Lilli) marries. Fred, as Petruchio, enters and seeing nothing beyond Kate's wealth, agrees to marry her, despite her screaming protests.

Backstage, Lilli is furious when she learns of the attention Fred is paying to Lois. She threatens to leave the theater. This is prevented by two gangsters who have come to collect the I.O.U. which can only be paid if the show is a success.

Sometime later, because of a strange twist of events, the I.O.U. is now worthless and the gangsters leave the theater after paying a fitting tribute to Shakespeare.

Although Lilli is free to leave, she returns unexpectedly to the performance and proclaims her love to Fred in Kate's own words.

ONE FLEW OVER THE CUCKOO'S NEST
By Dale Wasserman
adapted from novel by Ken Kesey

R.P. McMurphy is a charming, devil-may-care rouge who contrives to serve a short sentence in an airy mental institution rather than at hard work in a prison. This, he suddenly learns, was a mistake. For not only can his sentence here be indefinite, but he runs head-on into a fierce martinet in the person of head nurse, Ms. Rachet. In short order he took over the ward and accomplished what the medical profession has been unable to do for 12 years — he makes an Indian, presumed deaf and dumb, talk. He leads the others out of their introversion with basketball, stages a revolt so that all can see the World Series on television, and arranges a rollicking midnight party complete with liquor and chippies for all the boys. His charm does not work on Ms. Rachet, however, but only aggravates her antagonism. For one offense she has him submit to shock treatment. The second offense of the party, however, is too horrid for her, and she forces him to submit to the final correction that will leave him as docile and compliant as a vegetable — a frontal lobotomy. In order to save him from such a life, that would be to him worse than death, the Indian smothers him and thereby frees him.

Pirates Third In Suburban North Conference

Varsity Football had the best record this year since 1963. Coach Linn worked hard with the Pirates, giving the best of his experience and wisdom to the team. Coach Brown, Coach Hamilton, and Coach Pugh also contributed greatly. Possibly the biggest event, next to a winning season was the victory over McCluer North. Another outstanding event was the Homecoming victory over Ritenour 9-7. It was a very emotional game, as well as a brutal one. It was obviously a football season that Pattonville could be proud of.

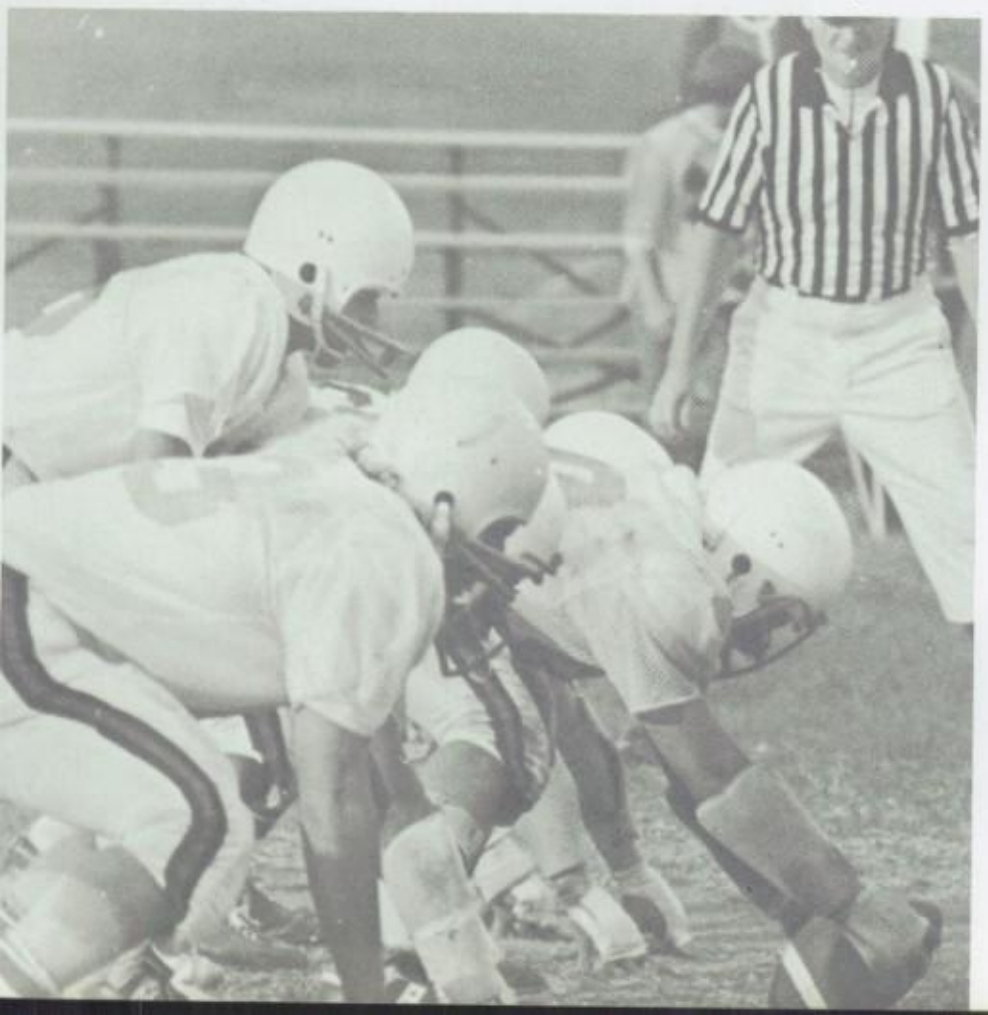
"The Sophomore Pirates completed a 9-0 season. The class of '77 became the first Pattonville football team to ever play out a schedule undefeated and untied.

A major factor in the sophomores' success was the stingy defense. The defense registered three shut-outs and gave up an average of just 5.4 points a game. In addition to the stingy defense, the Pirates had a very potent offense. The "Big O" averaged 23.9 points per contest and racked up 300 yards in six different games.

With desire, confidence and improvement in fundamental skills, the class of '77 can be a step forward in establishing a winning tradition for the football Pirates."

Stan McGarvey, Head Coach



Varsity

What is Cross Country? Cross Country is a foot race in which seniors, juniors, and sophomores compete against the clock and other area high schools. This year's cross country team proved to be the best team Pattonville has ever had. They practice all summer long on their own and every night after school at Creve Coeur Park. At the end of the season, except for the state meet, Pattonville runners found themselves winning the Suburban North Conference, placing first in District, and second in Regionals. The team was able to survive under all the pressure but the most trying meet was yet to come. At state they ran away with a third place title. In the individual category junior Randy Upson placed fourteenth to lead the squad. Senior Paul Stoffel came in twenty-fifth, with senior Wade McGruder close behind at twenty-seventh. Steve Beasley, Dave Sorrell, Mark Kraus, and John Kern placed 49, 50, 63, and 71, respectively. The turn out of Pirate fans at cross country meets never matches that of football, but hopefully next year everyone will be at the meets to cheer the team to another state title.

The 1974-75 basketball season was one of excitement and pleasure. The Pirates battled hard and tough in contending for the Suburban North Conference title.

The type of ball played by the 1974-75 team was a pleasure to watch. The squad was led by Keith Prokop, Mike Push, and Paul Stoffel, the tri-captains for the season. Senior Dean Carlisle, sophomore Darrow Washington, juniors Bill Boeckstiegel and Larry McKelly formed the nucleus of this fine team.

The hard work during the summer months was the start of the successful season the Pirates had. It is hoped that future teams will learn from the dedication and sacrifice of the 1974-75 squad.

"We're Number 1 . . ." Pirate fans shouted at the closing of the home game against St. Charles. Over 2,000 people attended to see Pattonville defeat St. Charles, 63 to 58, for first place in the Rock Road Division.

The Basketball Pirates achieved their best record (16-9) in over a decade, finishing third in the Pattonville Tourney and Consolation Champs in the Suburban North Tourney. The team generated excitement throughout the entire season by consistently winning close games such as Riverview, 54 to 53; and McCluer, 64 to 62. Two heartbreakers, however, were our losses to Desmet, ranked 6th in the state, and to St. Charles, in the finals of the 4A State Regional Tournament.

The Pirates fared well in post-season balloting with Mike Push and Darrow Washington being selected for the Second All-Conference Team, and Keith Prokop, the First Team. Keith was also chosen for the First North County All-District Team and set a new school record, leading the conference in free throw percentage (89%).

We can say that this year provided Coach Benben, the players, and the fans with a great deal of pride and satisfaction.

Paced by senior Dane Ives, the Pirate wrestlers recorded their best season ever. They posted a 13-1 dual meet record and took first in three tournaments. This earned a first place rating for the Pirates in the Post-Dispatch during the regular season. They also took second place in the Suburban North Conference losing only to Riverview, Conference Champions.

The Pirate matmen placed third in the District Tournament and fourth in the Regional Tournament, sending three to the State Meet in Columbia.

The future looks good as the Pirates are losing only three seniors. They can also expect some help from the Junior Varsity team who ran up a 10-3 record, led by undefeated Jerry Gentry.

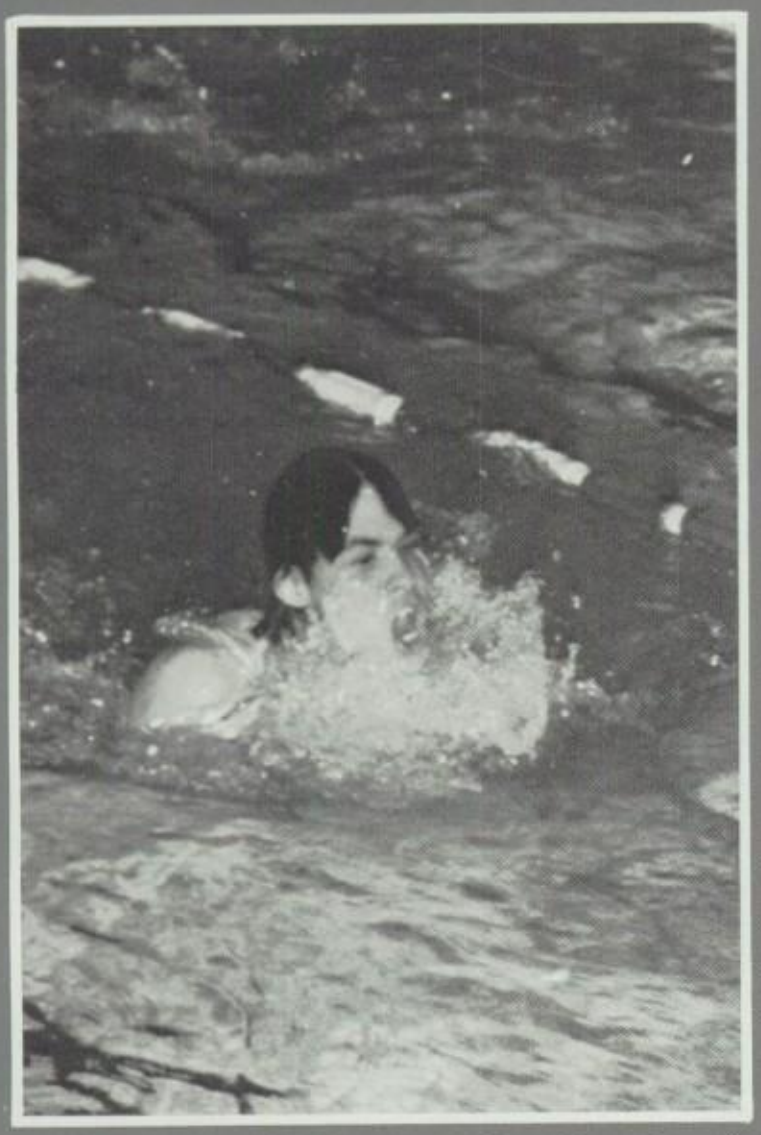
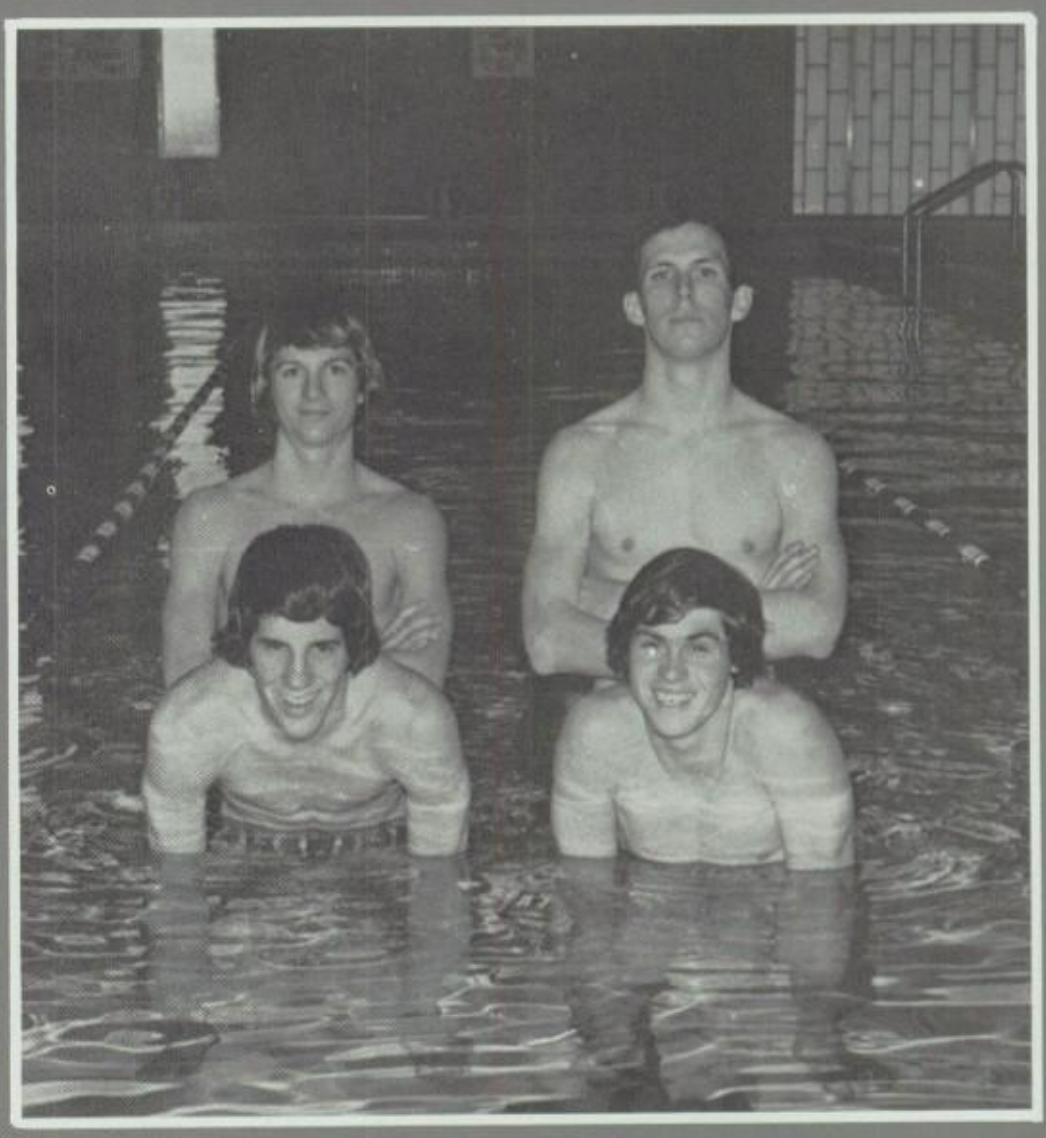
SWIMMING 1975



Co-captain, Mark Kraus.



Medley Relay Team: Nick Niehaus, Cub Brulle, Steve Fischer, and Mark Kraus.

According to Coach Rinesmith the swim team this year is "the best all round team that Pattonville has had in ten years. They have more depth than any year since we have had a team." Depth is important, in the long run, for winning meets. Also, this year we have a Varsity and Junior Varsity team —36 members — which makes more participation than any other year. Because of the two teams, more individuals get to swim.

Last year the divers were in the spotlight, but this year Pattonville is strong in swimmers. Mark Kraus and Steve Fischer (co-captains) are the two most outstanding on the team. Mark and Steve both hold school records on the individual medley relay.

Also, ten girls are on the team competing against all boys. Candy Williams was fourth in state last year as a sophomore and received honorable mention in Girls' High School All American. Pattonville is the only school to have girls on the swim team in North County.

Coach Rinesmith says this has been his most enjoyable year of coaching both swim teams at PHS.

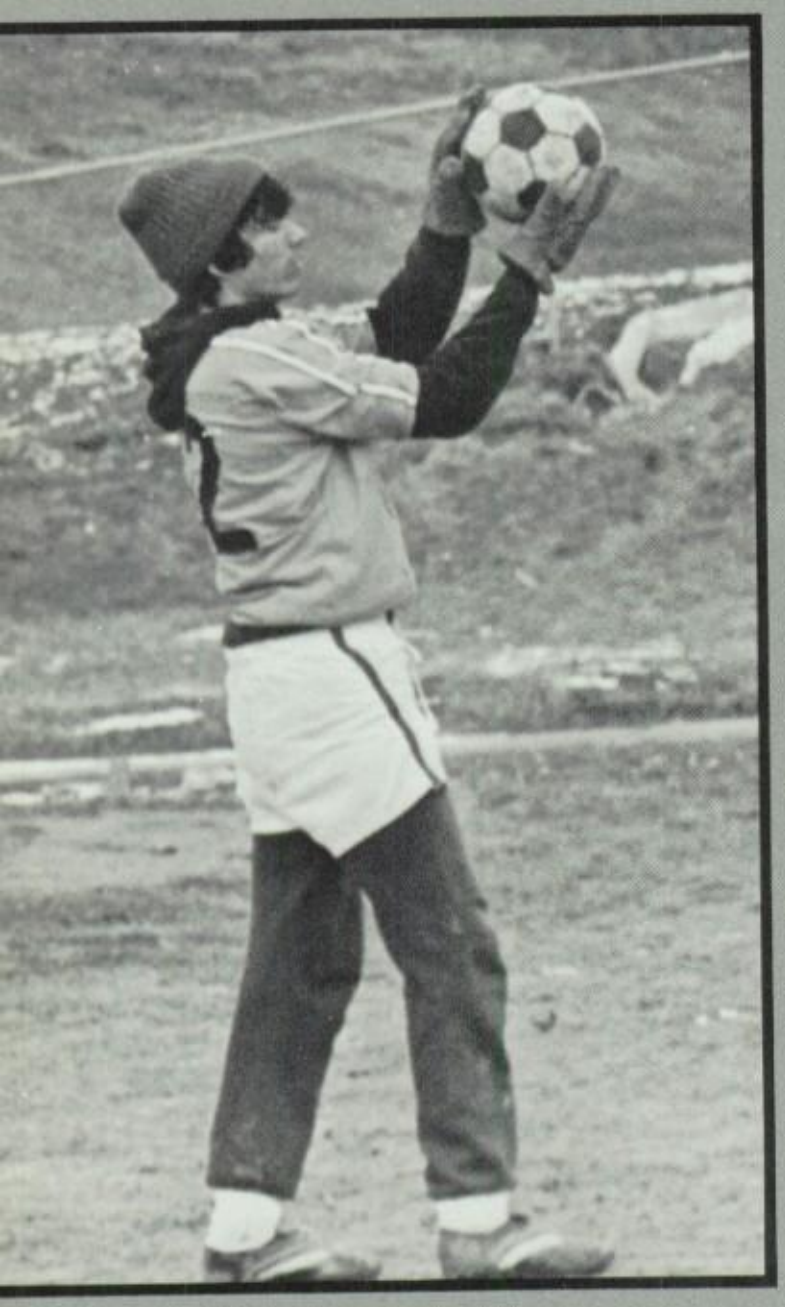
The 1974-75 soccer Pirates have developed a distinct style and tradition of Pattonville this season. The style is one of positive action toward a goal of teamwork and cooperation.

This has been a year of development. The soccer Pirates have achieved the respect of all the teams in the North County League. The Pirates are playing .500 soccer and were seeded fourth in District 3 out of sixteen schools.

The play of goalie Dan Knight has been a tremendous help to our defense. The plays of Ed Conroy and Dan Walsh, seniors, were strongly represented in a predominately junior line-up. The team consisted of nineteen players of strong character and a will to learn. The Pirates learned a lot this season and hope to improve next fall. We are grateful to those loyal fans who braved the cold to cheer on the soccer Pirates. The special thanks go to our two managers Karen Demoss and Peggy Donley.

Coach McGarvey giving the team some last minute advice.



This . . . is a soccer ball!!!!

The members of the sophomore soccer team look forward with great expectations t becoming a Varsity Pirate. Until that time, the young Pirates will strive to learn an develop new skills and techniques that will help them to reach their goals as a varsit player.

The desire and enthusiasm that exist on the sophomore squad makes dreams becom possibilities.

Boys' Track Starts Out

Coach Allison gives last minute instructions.

Under the guidance of head coach Joe Heggemann and assistant coaches Oscar Allison and John Hamilton, the 1975 track team began practicing on February 1.

This year's team opened the season with a strong base of returning lettermen, Seniors Brian Darrow, Ray Dieckmeyer, Steve Farkas, John Kern, Wade McGruder, John Ruckman, Paul Stoffel, Juniors Steve Teter, John Johnson, Greg Miller, and Randy Upson. With the presence of this base and newcomers Sophomore Darrow Washington, Bob Travis, and Steve Beasley the Pirates entered the season confident of surpassing last year's performances.

The competition began on March 3 with the St. Louis Open Indoor meet. This was the first time since the 1972 season that P.H.S. had competed indoors.

On April 5 the trackmen opened the outdoor season with the Alton Invitational. The season was highlighted by the state meet on May 17, held at Parkway North Senior High School.

Pirate Coach Dan Rudanovich.

Last year's Pirate baseball team proved to be one of the stronger teams in the Suburban North Conference by ending in a tie for first with Ritenour and McCluer North. The success of this year's team lies in the returning lettermen, Seniors Richard Leip, Jim Hunicke, Larry Benoist and Juniors Doug Mueller and Bob McSpadden. Coach Rudanovich has high expectations for Seniors Bryan Hackmann and Mike McCoy who proved to be great assets to last year's Pirate team. The talents of Juniors Bruce Oelkers, Larry McKelly, Jim Apollo, Mike Jacobs, Bob Schaffer, and Kenny Kennon will be needed to round out the field. Senior John Bross is in charge of bats and balls, and Pirate manager for the second year in a row.

This year's schedule is a tough one for the Pirates. They open the season with four consecutive pre-season games, starting with DeSmet on April 1. Last year's overall record was a satisfying 13-9, losing only one game at home. The Pirate sluggers will hopefully bat their way to retaining their Conference title.

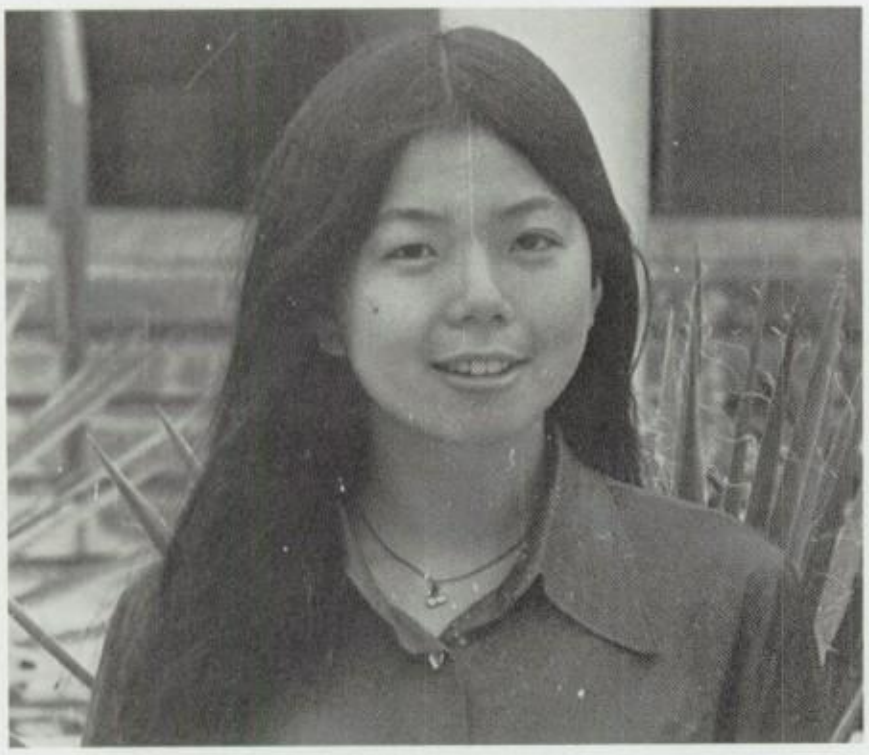
The Road To Participation

AFS



The American Field Service is an organization which gives high school students the opportunity to gain an insight and appreciation of other cultures and lifestyles by living abroad with a family. Each year the Pattonville Chapter tries to host two foreign students and send two of our students abroad. This year our foreign exchange students are Ami Fujimoto, from Japan, and Mohammad Rum Ali, from Indonesia. Both Ami and Rum have found life in America different than in their own countries. They see American people as being much freer than the people in their own countries. Ami thinks that "students here aren't too obedient, but they're lots of fun, and they seem to enjoy their lives fully, whereas many Japanese students study all the time." Rum took notice of the freedom of women in our society. "I was really surprised when I first saw a woman bus driver. There is no Women's Lib in Indonesia, but I suppose it is a good idea that women should be equal to men in getting a job." Both Ami and Rum found things here that were new to them. Ami learned how to play football. "Football is new to me, and I love it! Powder Puff is a good memory for me." Rum saw snow for the first time. "The scenery around the houses looks so pretty when the ground is covered with snow. In Indonesia, the general climate of the islands is warm. It ranges 50° to 60° during the coldest months of the wet season, so snow never falls there." Ami and Rum both agree that "people in this country are very friendly, and they are always happy to help you."

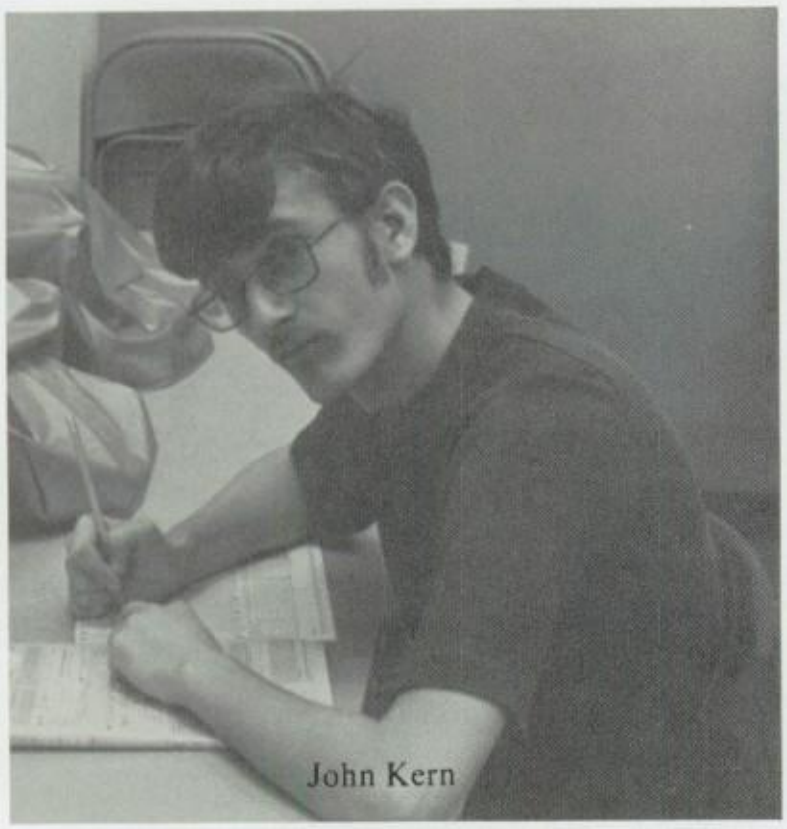
Schola Renamed



John Kern

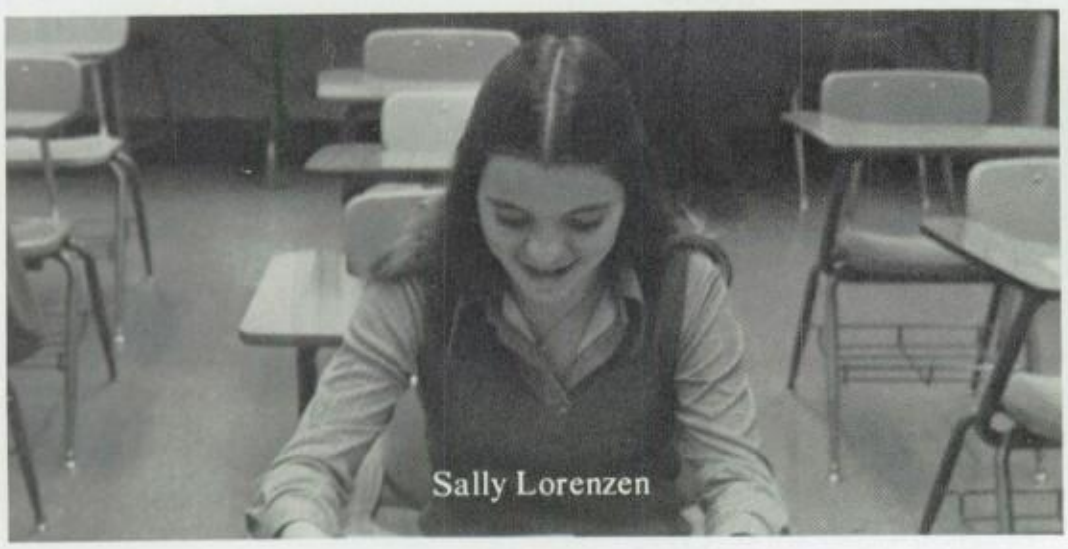
Whose the guy that ran by me?
It must be John from cross-country.
He wrote sports for the Pirate Press.
Why track was covered, we don't have to guess.

This is Scott. He thinks he's cool.
He's tardy to class and roams the school.
How does he manage to pull this caper?
He simply smiles and says, "The paper."

Scott Pitts

There once was a teacher named Todd
Who thought the name "Schola" was odd.
So to Scott's distress
She renamed it "Press,"
For reasons known only to God.

Mrs. Cheryl Todd



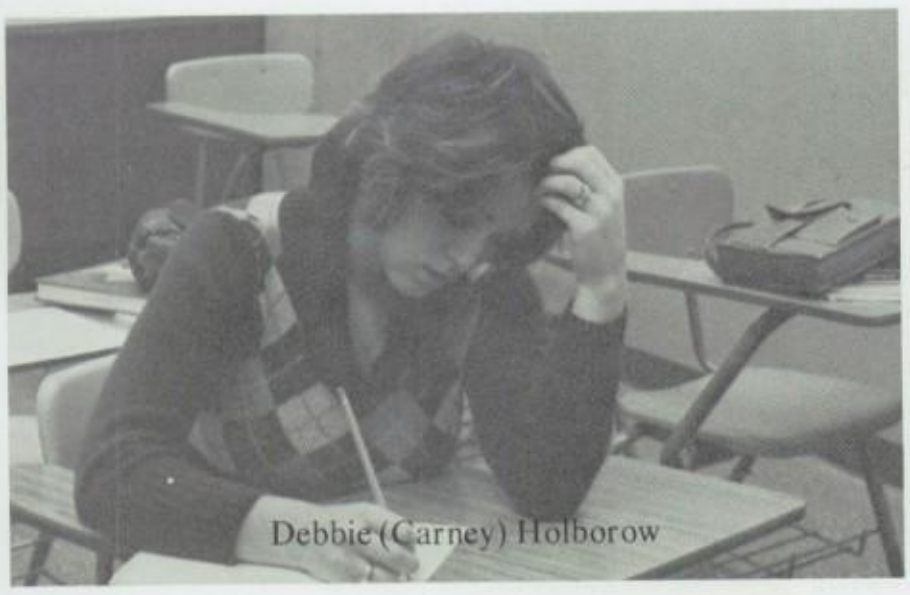
Sally Lorenzen

Margi wrote the news for us,
Made assignments without a fuss.
Writing of the clubs and plays,
Was quite enough to fill her days.

Margi Slattery

Sally was in charge of features.
She wrote of things like trips and teachers.
And though she liked to have her fun,
Her work would always come in done.

Pirate Press



Debbie (Carney) Holborow

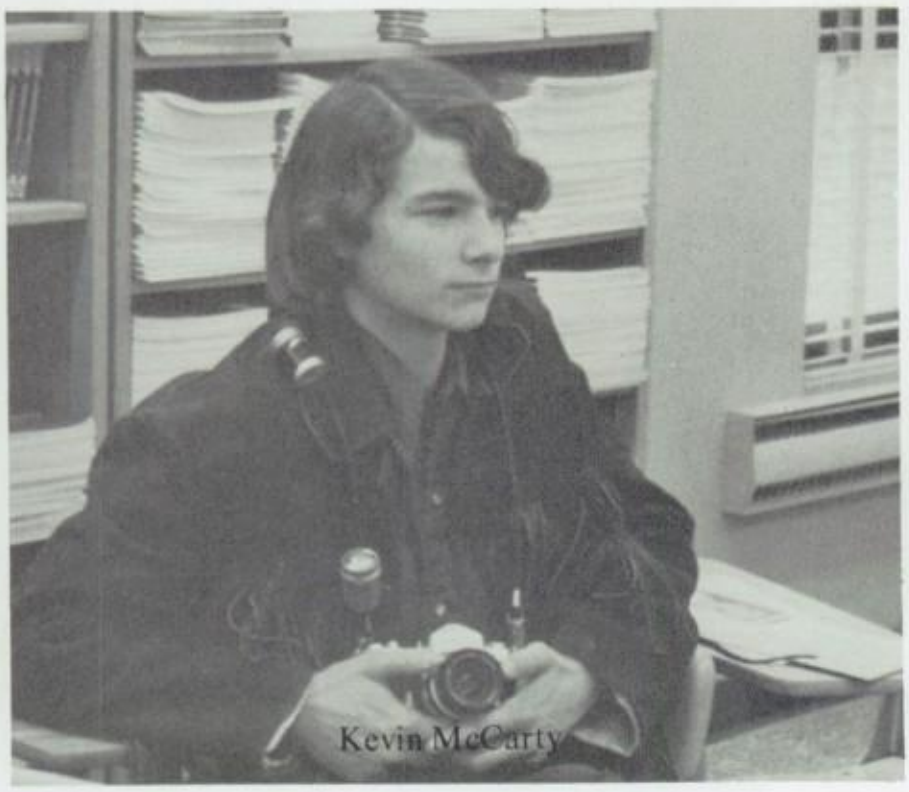
Mark Michel

Debbie and Don and Rick and Mark,
All chipped in and did their part.
As Press reporters with stories to do,
They wrote the features and other stuff, too.

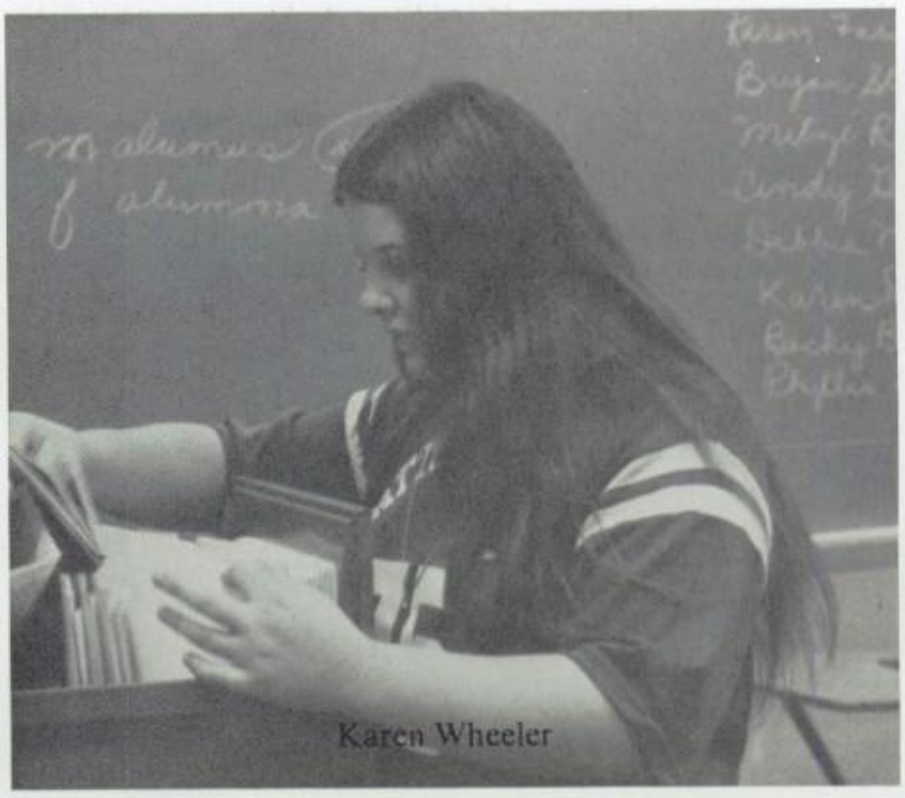
Rick Nolan

Don Colby

Needing a camera, we prayed to Heaven,
And in one walked, along with Kevin.
He covered every big event,
And then to us, His picture sent.



Kevin McCarty



Karen Wheeler

Licking stamps and trading papers,
These were some of Karen's capers.
And though she'd write occassionally,
It seemed she filed eternally.

The 1975 Echo is a collection of the happenings and experiences of the students and all the other people involved in making this school year the thing that it was for every individual.

Through the year, each of us has displayed our own unique talents, expressed our own feelings, and given PHS a part of our own individuality.

It has been the staff's goal to present as many different interests and activities as we possibly can so that each of us has a chance to see our own contribution; but more importantly, that we have the chance to see the contributions made by others and to know that there have been many roads to take, many ideas to perceive, many situations to contemplate, no single one being more important than another.

Hopefully, the Echo will help you to re-live those times, to laugh now about what might have been . . . and what was.

Y.A.R.C.

Youth Association for Retarded Citizens, known as Y.A.R.C., is a club of students who are concerned about the forgotten citizens who live at the St. Louis State School and Hospital.

Our members have a variety of informal activities for the Bellfontaine kids, both at the institution and at Pattonville Senior High. We have arts and crafts, sports and dances. Parties are held on Halloween, Thanksgiving, Christmas and in the spring. We arrange field trips to our high school for the annual Band Concert, Vocal Music Party, and the School Musical.

Y.A.R.C.'s greatest reward is the individual friendship we build with our friends at Bellfontaine. The warmth and compassion we receive from them is our motivation.

CHILDREN'S THEATRE

Children's Theatre is a program designed especially for performing to young audiences. Pattonville's Acting Troop for Children, PAT-C, is in its seventh year of performances. PAT-C performs for the grade schools in our district and special places such as the State School. The plays are presented in the spring, sometimes as many as six being performed at the area grade schools. The plays are all directed by students in the Theatre Workshop class, and are sponsored by Mr. Hughes.

Each year during the second semester, Pattonville High School students are given the opportunity to observe their government CLOSE-UP. The students fly to Washington D.C. where for one week they discuss the topics of interest to them with Senators, Congressmen, representatives from the Supreme Court, the State Department, the Pentagon and other government agencies. Public and private schools of the entire St. Louis area participate, affording the students an opportunity for educational and social growth.

Several fund raising activities assist the students in financing their trip. The Ball and Chain Day highlighted these efforts. Students and teachers participated in this event providing fun for the school and helping several students go to Washington. Next year we look forward to other school-spirited events for fund raising.

Vocal soloists: C. McComber, C. Birge, T. McConnell, C. Birge, S. Thorpe, D. Portman, R. Fitzgerald, accompanist. Not pictured: P. Woods, K. Uffman.

Chamber Orchestra Instrumental Ensemble: K. Lawson, D. Anderson, C. Vaughn, C. Baumgartner, N. Coplen, R. Branneky, M. Kinzie.

V-Show Staff: J. McClintock, Mr. Gunlock, J. Robey, Mr. Krause, C. Birge, J. Kester. Not pictured: P. Knudsen.

The Barberettes: T. Volner, M. Brown, D. Goforth, D. Winger, D. Fox.

This year's V-Show was presented on February 28. Nineteen acts were chosen to be presented; several of each type that auditioned in mid-February. Dances, vocal and instrumental ensembles, soloists, pantomimes, and dramatic readings were some of the various types of talent.

This year, a greater number of students auditioned than in past years. The acts were judged by a panel of 6 faculty and 4 students, on such points as general presentation, stage presence, and continuity of act. The acts with the highest composite scores from each category were then chosen for the show.

There are many undiscovered talented students who should be encouraged by the growing number of those auditioning. After all, the purpose of the Variety Show is to display and give recognition to the various types of talent within the student body.

Other participants in the show were: C. Beach, J. Doelling, R. Drysdale, K. Fawcett, D. Lucas, S. Ramsey, P. Snyder, C. Tooley, K. Turner, and C. Willman.

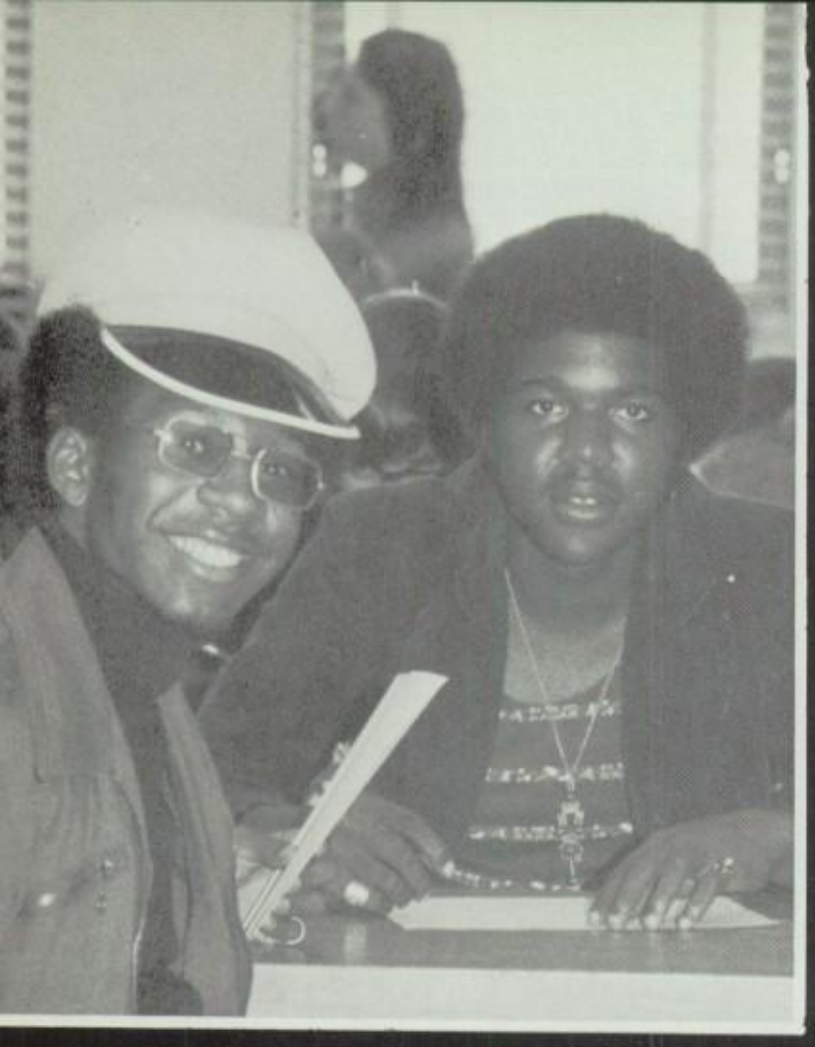
HONDA
HONDA



No, Ma'am, were're not cheating!

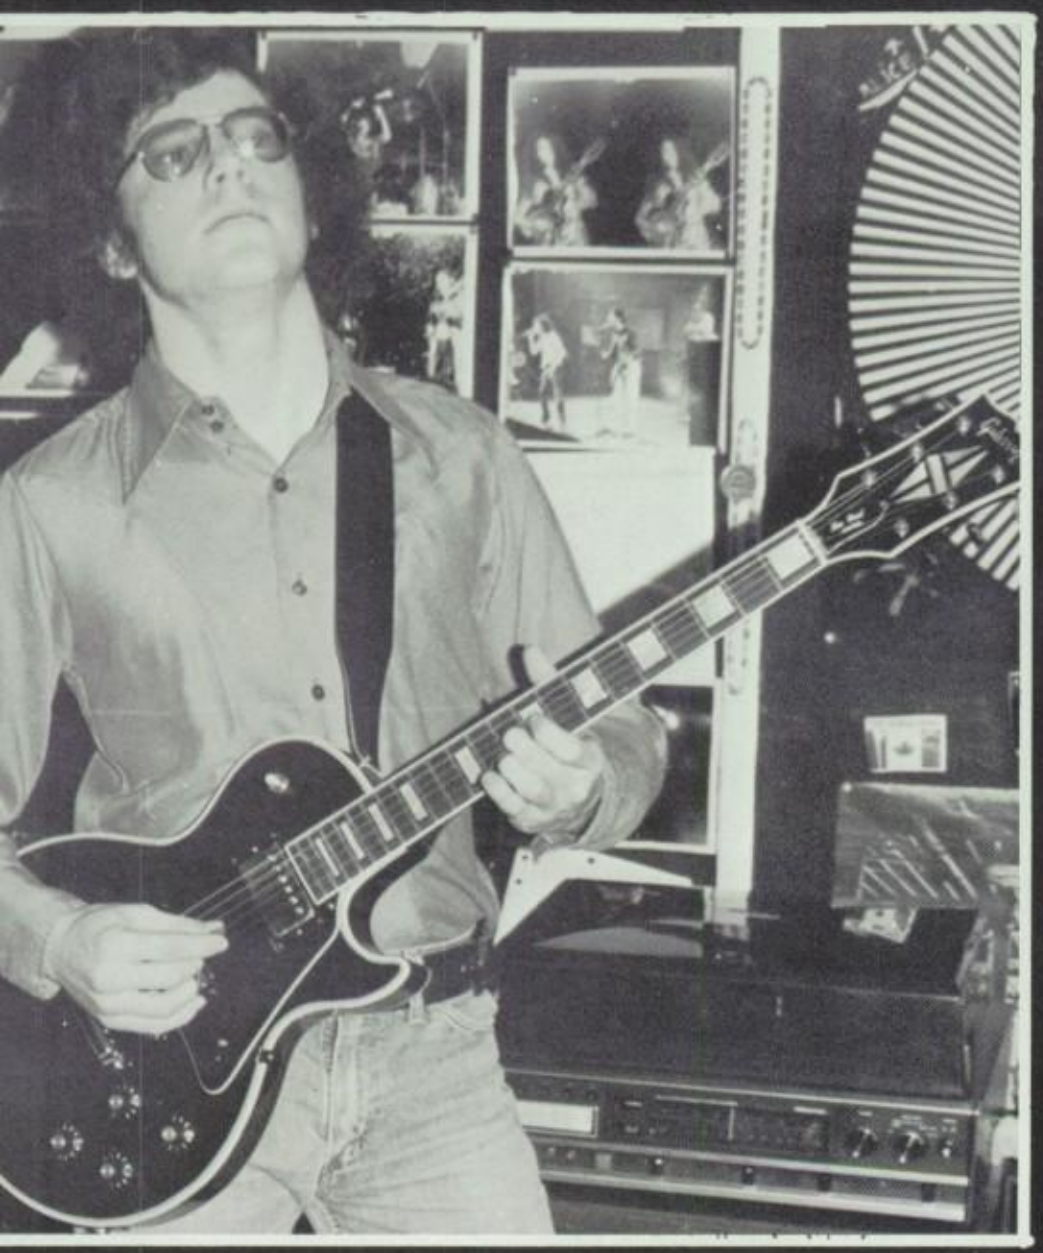
You dare to mention the smoking lounge?

I forgot to wash this morning!

I'll raise you a nickel and call, I think you're bluffing!

I'm in love

Ready or not, here I come!



Eric Clapton eat your heart out!

How's your love life, Ultrabright wants to know!

"And did you hear about . . . "

Geronimo will be here tomorrow for the final alteration.

This is not primarily the place where we have to be, it is the place where we are.
This is not our prison, but our home. It is the road we must walk and the walking of it is called life. Because we will walk it only once, then how important it is that we should walk it with some purpose that we can call our own.

Tim,

It was fun being on the same football and baseball teams. Also being in Master Jack's class. See you over the summer.
Rob

T. Moondoggie, I just can't put my feelings in words, but I think I'm to grown up to cuss. We had a lot of fun in football. I won't tell no one about your goose's me before and like.
